PROFESSIONAL PROFILE

I am an ambitious motivated and hardworking undergraduate student pursuing Bachelor of science in Information Technology (IT). I am currently in my fourth year and looking for my graduation after completing my university education. I have built up my skills in the information technology field in order to build, advance and embrace the technological world. Looking forward to further develop my skills in a busy fine environment under little or no supervision.

CAREER PROFILE

I am a reliably skilled, talented and knowledgeable IT and computer science student with extensive and practical knowledge in the course and related field concepts. Equipped with sufficient knowledge and skills to identify various problems and provide effective solutions.

TECHNICAL PROFILE

- Ability to work under minimum supervision
- Very reliable with the use of basic IT.
- Equipped with very reliable knowledge on basic operating systems e.g., Microsoft office services
- Basic skills with the use of programming languages e.g., C++, Java, python and web programming.
- Team-work oriented.
- Also engaged record keeping and data analysis.
- Extensive knowledge and skills in installation and configuration of various computer software's.
- Empathic listener and communicator.
- Good leadership and proper planning skills
- Coordinated activities that encouraged education and constructive progress.
